

Walk: Pepperwood & Snuff Hill

Distance about 4 km: Time about 1 hours: Easy walking with some slopes and about 10 stiles

This walk starts from the small car park at the entrance to Pepperwood on Dordale Road. If the car park is full you can park on the road.

Having abandoned the car follow the Bridleway through Pepper Wood until you meet a track coming in from the left. At this point turn right over the stile into the field and walk across the field keeping close to the hedge on your right. Eventually you will come to another stile by Pepperwood Cottage. Climb over the stile and along the path in a tunnel of trees and bushes, across another stile and into a field adjacent to Fir Tree Farm. Cross the Field with the hedge on your left until you reach the stile on Brook Road. This is point A on the map.

Turn right on the road and on the other side of the road just before the next house you will see a stile. Climb over the stile and follow the path across the field, through an overgrown field and then turn sharp right into another field. Follow the path till you meet Dordale Road. You can at this point walk back to the car by turning right and following the road.

If you are still game to continue turn left on Dordale Rd and on your right some 50 metres down the road you will see a stile in the hedge. This stile is well hidden and set back into the hedge. Follow the path keeping the hedge on your left and eventually you will come on to Yarnold Lane. Turn right here and walk down Yarnold lane for about 50m until you see the start of a footpath on your right. This is point B on the map. You should now follow the path over a number of stiles and gates until you climb slightly up hill and through a metal gate to reach a crossroads with the bridle path. This is point C on the Map.

At this point turn right and follow the Bridleway through Royal Content Farm and eventually you will arrive back on Dordale Road opposite the entrance to Pepperwood.
