

200 Club Report for the year to 31 December 2018

At 31 December 2017 there were 179 members. During this year there have been 9 new subscribers but 12 have dropped out (the majority of these related to families moving out of the area).

This means that at the end of 2018 there were 176 members leaving 24 available numbers.

It would be good if we could increase the number of members.

At 31 December 2017, £368 had already been collected for future draws.

The total cash collected in this period was £2084.

At the end of 2018, £382 of this related to future draws.

Income relating to draws in 2018 was £2070.

Prizes distributed in this period totalled £1500.

Hence the net gain was £570 for the draws in the year 2018.

The results continue to appear in Parish News and on the village website.

The same 6 collectors have been in place throughout the period. I would like to thank them for their time and efforts during year.
